

TEETH CARE CENTRE[®]
Dental Hospital

WE OFFER

**“THE BEST” NOT “LOW-COST”
WORLD CLASS DENTISTRY FOR
ONE SEEKING THE BEST**

WHY CHOOSE US?

- We are a combination of **ULTRA-MODERN SETUP** and **OLD PHILOSOPHY OF PATIENT CARE**. We are Gujarat's No.1 ultra-modern high-tech dental clinic. As we believe in the old philosophy of 'relationship matters' and that's why we do not have multiple clinics, we have Single Location Clinic. We know all our patients personally and their needs, and that's why we try to give them the individualized highest level of quality care possible. Relationship with our patients, their overall experience at our clinic, best quality treatment, and superior technology; this approach make us different from others.
- Luvot® group is serving healthcare since 1949. Teeth Care Centre (TCC) Hi-Tech Dental Clinic in Ahmedabad, an ISO 9001:2015 Certified multispecialty dental clinic with international standards, latest technology and an eco-friendly concept delivers exceptional and valuable comprehensive dental care to all its clients that will result in a beautiful and long-lasting smile. TCC offers a wide range of painless dental procedures. Our crowning achievement is to provide an exquisite and shining smile to our elite clients.

INTERNATIONAL STANDARD

- TCC No.1 Dental Clinic in Ahmedabad provides world-class dental facilities and is committed to delivering the finest quality dental care using the latest state-of-the-art technology. We assure you of providing a comfortable, pleasant, and anxiety-free environment. Our office is well equipped with ultramodern and internationally approved materials and equipment so that patient care is at the maximum. We strictly adhere to the international protocol of infection control and sterilization to protect our clients from the risk of cross-infection. Our staff is friendly, knowledgeable, and ready to assist you with any queries you may have. To give you the best possible services and results, we are committed to continual education and learning. You will receive extraordinary service and individualized care that is unsurpassed. TCC is an ISO 9001:2015 certified dental clinic.

LATEST TECHNOLOGY

- Ultramodern dental approach backed by the latest innovations
- Advanced dental equipment with cutting-edge technology
- World-class materials and applications from renowned global brands
- International standards of safety, precision, and quality care
- Computerized software and digital imaging for accurate diagnosis
- Maximum treatment benefit with minimal patient harm
- Nanotechnology-driven solutions for enhanced comfort
- Audiovisual tools to visualize treatment outcomes in advance
- Collaboration with top-quality dental laboratories worldwide

ECO-FRIENDLY

TCC is an environmentally friendly dental Hospital that emphasizes on our client's dental wellness. We integrate green practice effectively and efficiently in various aspects which include office design, furnishings, and dental processes to make our client's experience serene and tranquil. Our staff is dedicated to providing you with personalized dental care in a placid, relaxed environment that promotes general well-being and health. Our patient's overall health is extremely important to us so we provide eco-friendly dental care by using:

- Biocompatible dental materials
- Less hazardous X-ray system
- Environmentally sound disposal of waste
- Steam-based sterilization
- Energy-efficient compact lights
- Cloth in operatory and sterilization instead of disposables

OUR TEAM [TEAM APPROACH]

- TCC comprises of well-qualified dental professionals and master's degree holders from different specialties who are dedicated to preserving and restoring your oral health beautifully. We bring together and harness the rich and wide experience of the best dentists the field has to offer.
- This brings in the unique comprehensive Diagnostic Approach that allows us to examine the treatment possibilities from different angles.
- Our exceptional and eminent team of 20 dentists from India and abroad works to ensure that our clients receive the most advanced dental care available.

DENTAL TOURISM

- Thousands of people living in this world wish to get excellent dental services without spending their entire life savings. Dental treatments are very costly in their own country as compared to others and so the concept of dental tourism is gaining popularity day by day through which patients can receive dental treatments of the same quality from expert and experienced dentists.
- India is a preferred dental tourism destination for their exclusive qualities like internationally acclaimed medical standards, superior services, best and latest infrastructure and equipment, skilled and compassionate dental surgeons, and well-trained paramedical staff.
- Teeth Care Centre Dental Clinic in Ahmedabad with International Standards, Latest Technology, and an Eco-Friendly concept offers travelers from all across the world, unique and cost-effective dental care plans that fit into their itinerary. You can enjoy your vacation by visiting many beautiful and excellent historical cities and places of India along with your family or friends and simultaneously receive all kinds of routine and specialized dental services at your convenience. We provide exclusive tailor-made services to all our overseas clients as they are unfamiliar with the lifestyle, climate, and food of India. Our dedicated staff takes efforts to make your stay the most comfortable and satisfactory as per your expectations.
